

**School District of South Milwaukee School Board**  
**Resolution 20-3 Support for School Nurse Exemption to the Revenue Limit**  
**March 4, 2020**

**Whereas**, the school board, administrators, teachers, staff, parents and community members of the School District of South Milwaukee are united in our effort to provide all children with the highest quality educational opportunities possible; and

**Whereas**, 2019 Assembly Bill 460 and 2019 Senate Bill 589 allows for funds to be generated above the revenue limited to specifically fund school nursing expenses; and

**Whereas**, School Districts throughout Wisconsin are expected to educate the whole child which includes attending to their nursing needs during the school day; and

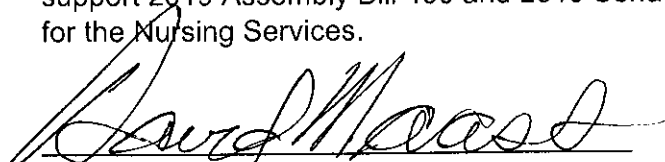

**Whereas**, nursing support can increase the attendance rate throughout the school year; and

**Whereas**, education of students is our primary focus that is only successful if the student is in prepared to learn which is enabled by providing strong Nursing services; and

**Whereas**, under Assembly Bill 460 and Senate Bill 589 the funding to provide Nursing Services would be obtainable and would not compete against our primary focus of educating students; and

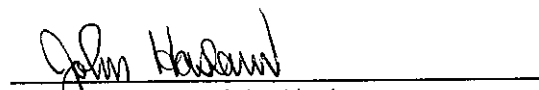

**Therefore**, the School District of South Milwaukee School Board resolves to express its support of Assembly Bill 460 and Senate Bill 589:

**Therefore, Be It Further Resolved**, that the School District of South Milwaukee Board of Education calls on Joint Finance, the Assembly Committee on Education, the Senate Committee on Education, Senator Chris Larson and Representative Jessie Rodriguez to support 2019 Assembly Bill 460 and 2019 Senate Bill 589 which will provide dedicated funding for the Nursing Services.
