The S.M/O.C meet is being held in Grant Park, near picnic areas 5 & 6. Across the street from the brown pavilion. We will be taking the kids to the meet. If there are any questions, please call the rec department.

We also need parent volunteers to help out during the meet. The more help we have the smoother the meet will run.

* We may have to change this date and will let the kids know as the season nears its end.

**This meet is just for the 8th graders. The amount of 8th graders we can take is dependent on the amount of available seats on the bus. We will be going to Janesville with the High School team. Once the number is known we will let the kids know who can go. We will take a Chartered Bus. This will be a great opportunity for the 8th grade kids to go to a meet with a lot of kids who will be their teammates next year. Sub sandwiches will be provided as well as beverages.

***We have been having an end of the season team “fun run” at Grant Park. It’s a low-key event and parents are encouraged to come and watch. There are several schools that use the Park at that time of year and depending if the High School team is hosting Conference or Sectionals, some competing schools use the park to become familiar with the course. This date may be moved. If we change the date, I’ll send something home with the kids to let parents know. We generally know a week or so before the scheduled date.
