

School Board of South Milwaukee

Resolution 17-2 Per Pupil Revenue Limit Adjustment of \$275

Whereas, the school board, administrators, teachers, staff, parents and community members of the School District of South Milwaukee are united in our effort to provide all children with the highest quality educational opportunities possible; and

Whereas, costs of providing a high quality education does cost more from one year to the next due to inflation and new initiatives; and

Whereas, the District under Act 10 implemented large cost shifts from Employer to Employee to balance budgets due to the unprecedented budget reductions to K-12 education in the 2011-13 biennial budget coupled with minimal adjustments in the 2013-15 and 2015-17 biennial budgets; and

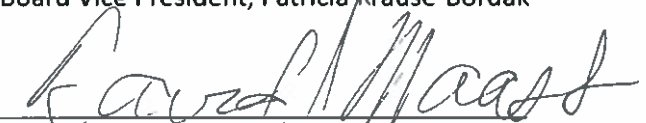

Whereas, we support the Governor's budget direction with regards to his recommendations for additional investments in public education; and

Therefore, Be It Further Resolved, that the South Milwaukee Board of Education calls on Governor Scott Walker, Joint Finance, Senator Chris Larson and Representative Jessie Rodriguez to provide a reasonable per pupil revenue limit increase of \$275 in each year of the 2017-19 biennium.
