

April, 2018

Dear Parents:

Below is a copy of the 2018 Summer Fun Camp Parent Guide and Handbook. Please take the time to read thru the information. This should answer many of the questions you may have regarding our schedules, policies and procedures. On Pages 11-16 you will find important forms that need to be completed. These forms should be brought to camp on the first day your child(ren) will be attending. A separate set of forms must be completed for each child attending the Summer Fun Camp. This information will be kept on file as a reference guide throughout the summer.

We are busy getting things ready for what believe will be a fun and exciting summer camp season. Should you have any questions, please feel free to give the Recreation Department a call between the hours of 8:30 am- 4:30 pm, Monday thru Friday.

Sincerely –

Stan Dorff, Recreation Director  
South Milwaukee Recreation Department
