

If recommended for CORE classes, they must be taken before enrichment classes.

# THIRD GRADE

## 2017-2018 SUMMER SCHOOL REGISTRATION FORM

Please return this COMPLETED form for EACH CHILD  
to your elementary school March 26 - May 4, 2018.

STUDENT NAME \_\_\_\_\_ GRADE (2017-18) \_\_\_\_\_

ADDRESS \_\_\_\_\_ SCHOOL \_\_\_\_\_

PARENT/GUARDIAN \_\_\_\_\_

DAYTIME PHONE WHERE YOU CAN BE REACHED \_\_\_\_\_

Emergency Contact Name & Number \_\_\_\_\_

Does your child have any medical problems or food allergies the school should be concerned about?  
\_\_\_\_\_

### CORE COURSES - (teacher recommended - circle the session)

#### PERIOD

Core Reading - 3rd	1	2	3	4
Core Writing - 3rd	1	2	3	4
Investigations Math - 3rd	1	2	3	4

### ENRICHMENT COURSES (check your choice)

#### 1st Period 8:00 - 9:00

#### GRADE

Chess	1-5	
Hands on Science	2-3	
Imagination Station	3-4-5	
Lego Design	1-2-3	
Out of the Box	3-4-5	

#### GRADE

Physical Education	3-4-5	
Read/Write Enrichment	3-4-5	
World Language & Culture	3-4-5	
Zumba Kids	K-5	

#### 2nd Period 9:00 - 10:00

Backyard Games	3-4-5	
Chess	1-5	
Jr. Explorers	2-3	
Lego Design	1-2-3	
Out of the Box	3-4-5	

Physical Education	3-4-5	
Read/Write Enrichment	3-4-5	
World Language & Culture	3-4-5	
Zumba Kids	K-5	

#### 1st AND 2nd Period 8:00 - 10:00

Cooking Around the World	3-4-5	
--------------------------	-------	--

#### 3rd AND 4th Period 10:00 - 12:00

Cooking Around the World	3-4-5	
--------------------------	-------	--

#### 3rd Period 10:00 - 11:00

Art Around the World	2-3-4	
Card Games	2-3-4-5	
Chess	1-5	
Hands on Science	2-3	

Imagination Station	3-4-5	
Lego Design	1-2-3	
Math Enrichment	3-4-5	
Tennis	3	

#### 4th Period 11:00 - 12:00

Art Around the World	3-4-5	
Backyard Games	3-4-5	
Card Games	2-3-4-5	
Chess	1-5	

Jr. Explorers	2-3	
Lego Design	1-2-3	
Math Enrichment	3-4-5	
Zumba Kids	K-5	

# Third Grade

## Course Descriptions

### CORE COURSES

**Core Reading (3)** - Reader's workshop is a block of time devoted to reading, discussing and writing about reading. The workshop begins with a read aloud by the teacher focused on a reading strategy. The lessons are based on student need. After the read aloud, children individually practice the strategy taught using books of their choice, at their reading level. Or, they work in small groups with the teacher. Later, students gather to share their learning.

**Core Writing (3)** - The Writing program utilizes the 6 Traits of Writing as the framework for instruction. There will be numerous and varied opportunities for all children to expand word choice, ideas and conventions while writing.

**Investigations Mathematics (3)** - The Investigations Mathematics summer school classes are a continuation of the curriculum that the students are learning during the regular school year. The class will continue the progress of each student in the established curriculum standards in the area of mathematics.

### ENRICHMENT COURSES

**Art Around the World (2-3-4-5)** - Students will explore several different cultures and geography. Some of the countries and cultures included are United States/Canada, India, Mexico, Australia, Africa, Egypt, Japan, China. Art lessons include literacy extensions and reflections of the different aspects of the cultures and art techniques. Techniques and genres that we will use and explore in class: Radial Symmetry Op Art, Hidden name / word art symmetry, Pop Art, Tessellations, Shang Ya Writing, Origami and more!

**Backyard Games (3-4-5)** - Students will get great exercise as they learn and play many outside games.

**Card Games (2-5)** - Students will learn how to play many fun and different card games! It is an excellent way to practice patience, good sportsmanship, motor and listening skills, concentration and academics.

**Chess (1-5)** - Students will learn about the rules of chess and strategic thinking while they play. Students of all abilities are welcome.

**Cooking Around the World (3-4-5)** - Students will explore different countries and their customs. They will also learn to prepare a great variety of interesting foods including traditional items from Germany, Italy, Mexico, China, France, America and other countries. The students will learn safety, healthy food preparation, recipe creation and food shopping skills. Please advise of any food allergies or intolerance on registration form. **Please note this class runs for two consecutive periods.**

**Hands on Science (2-3)** - Six weeks of fun-filled science! Each week will present itself with a new and interesting theme. Children will conduct a variety of experiments while exploring the following themes. Astronomy and Weather, Electricity, Chemistry, Biology, Simple Machines and Health/Nutrition.

**Third Grade**  
**Course Descriptions**  
**(continued)**

**Imagination Station (3-4-5)** - Using a wide variety of materials, from odds and ends to clay and papier-mache, we will create puppets and musical instruments, and form ceramic wonders of art. We will also learn different ways of drawing and painting and explore a variety of printing and stamping techniques.

**Jr. Explorers (2-3)** - Our planet Earth is not only our home, but also the home of many plants and animals. This summer school course will provide students with activities to gain an understanding and foster respect for our environment. We will investigate the characteristics of animals and their habitats.

**Lego Design (1-3)** - Lego Design will challenge each student to be creative, think visually and persevere through the creative building process. Hands on and collaborative learning will add to the fun.

**Math Enrichment (3-4-5)** - Students will be challenged in their mathematical thinking and number sense in this fun class.

**Physical Education (3-4-5)** - The focus of this course will be physical fitness through a variety of physical education activities.

**Junior Tennis - It's a Ball! (1-2)** - Join this outdoor course to learn the basics of a SMASHING life long sport - TENNIS! Your child will learn eye-hand coordination, footwork, forehand, backhand and serve techniques and how to keep score. **Students MUST have tennis shoes, a water bottle and applied sunscreen. No exceptions.** Students will be OUTSIDE in the summer heat every day.

**Out of the Box - Critical Thinking and Engineering Activities (3-4-5)** - Sparks of Curious fly this summer! Solve logic, cliffhanger and Break Out of the Box puzzles. We'll use lots of common household objects to design and build Hex Bug mazes and habitats. Accept more design and engineering challenges and build structures to meet those challenges! You'll get loads of ideas and be challenged to imagine, create and build at school and at home all summer long!

**Read/Write Enrichment (3-4-5)** - Students will extend their learning with enriching experiences with texts that are just right. There will be an emphasis on higher-order thinking skills and writing as part of experiencing wonderful stories

**World Language & Culture Exploration (3-4-5)** - Students will practice greetings, useful phrases, alphabet, numbers and colors in German, Spanish, French and Chinese. Students will also explore culturally interesting facts about the countries where these languages are spoken. Students will learn how knowing a foreign language will help them in their future career.

**Zumba Kids (K-5)** - Stay healthy and have fun this summer by keeping active, exercising, and jamming out to your favorite music. Learn kid friendly dance routines to popular and cultural songs and play games that promote leadership, teamwork, and creativity.
